

How Anaerobic Digestion has Impacted the Canadian Waste Landscape

Tej Gidda | Organics Processing

May 11, 2018

Composting

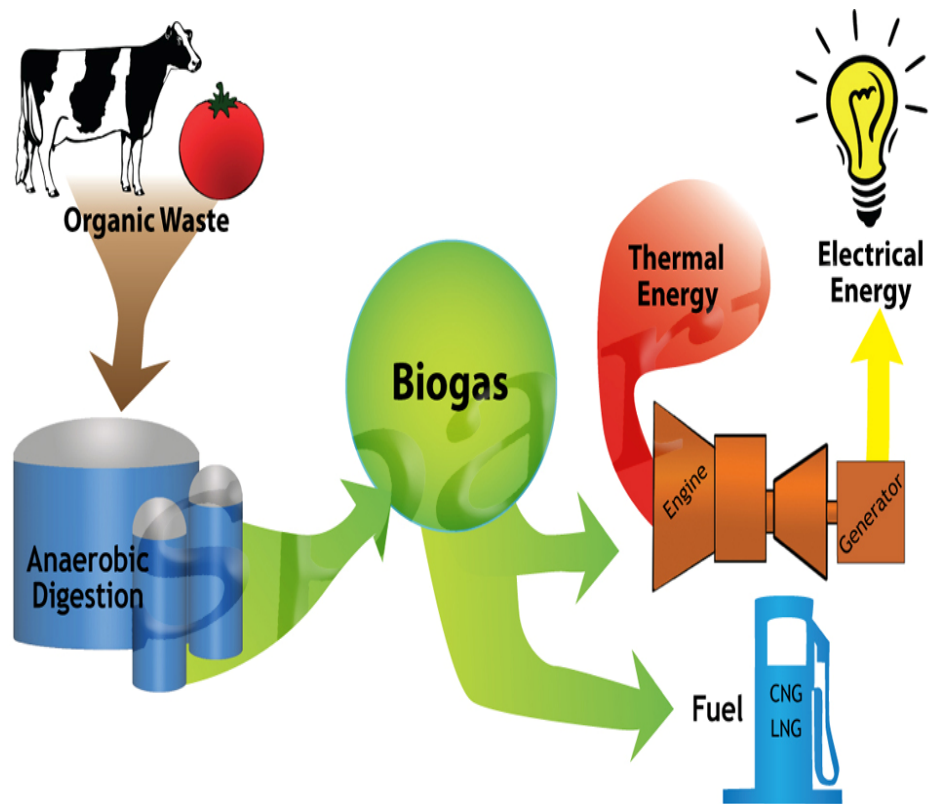

Is composting still okay?

"Would it kill you to compost?"

Digestion

What's wet versus dry?

- Contaminant removal
- Process vertically versus horizontally

Does Energy Sale from AD Pay for the Facility?

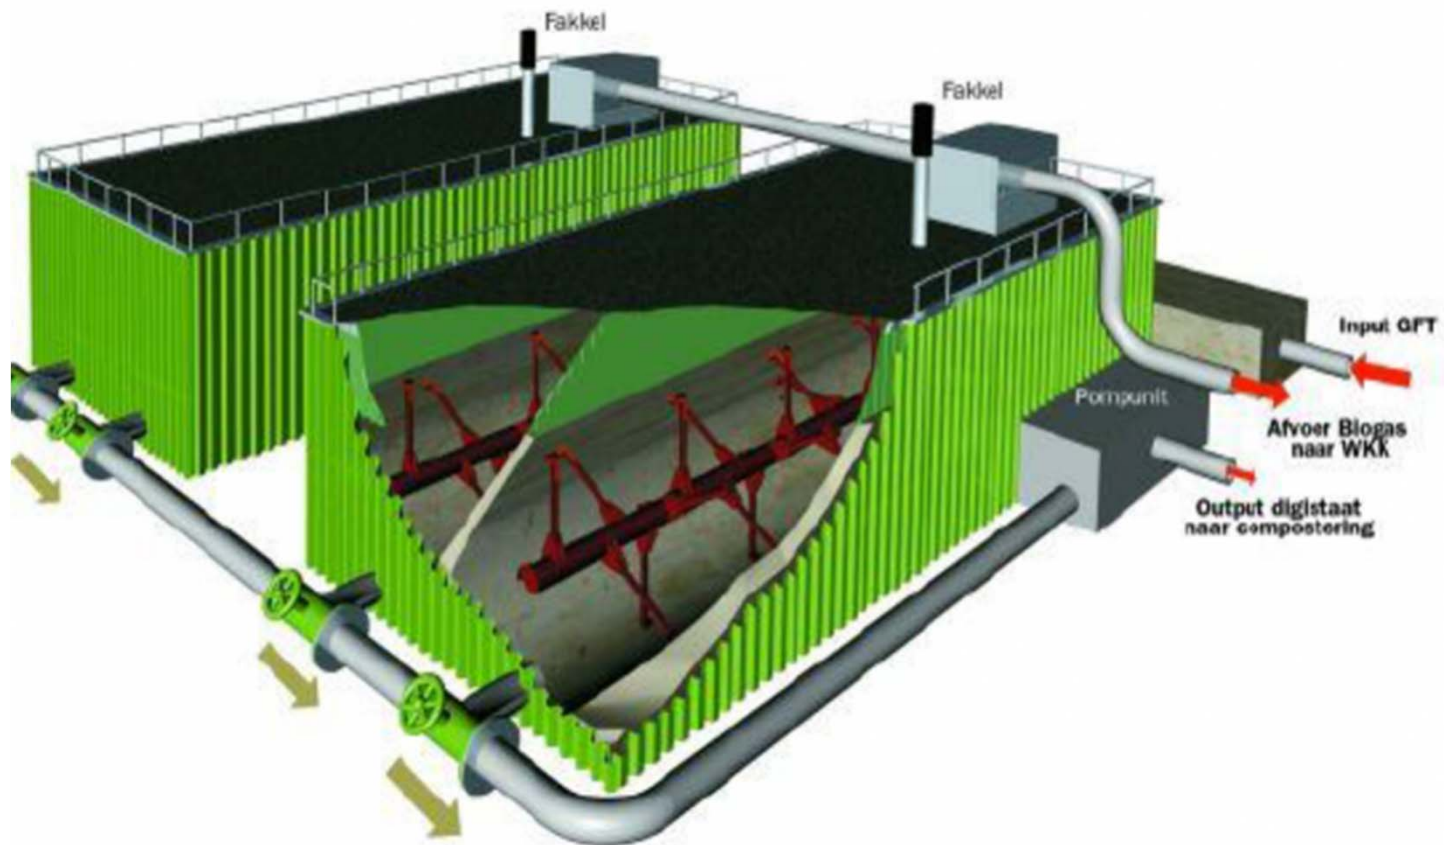

Dry Digestion

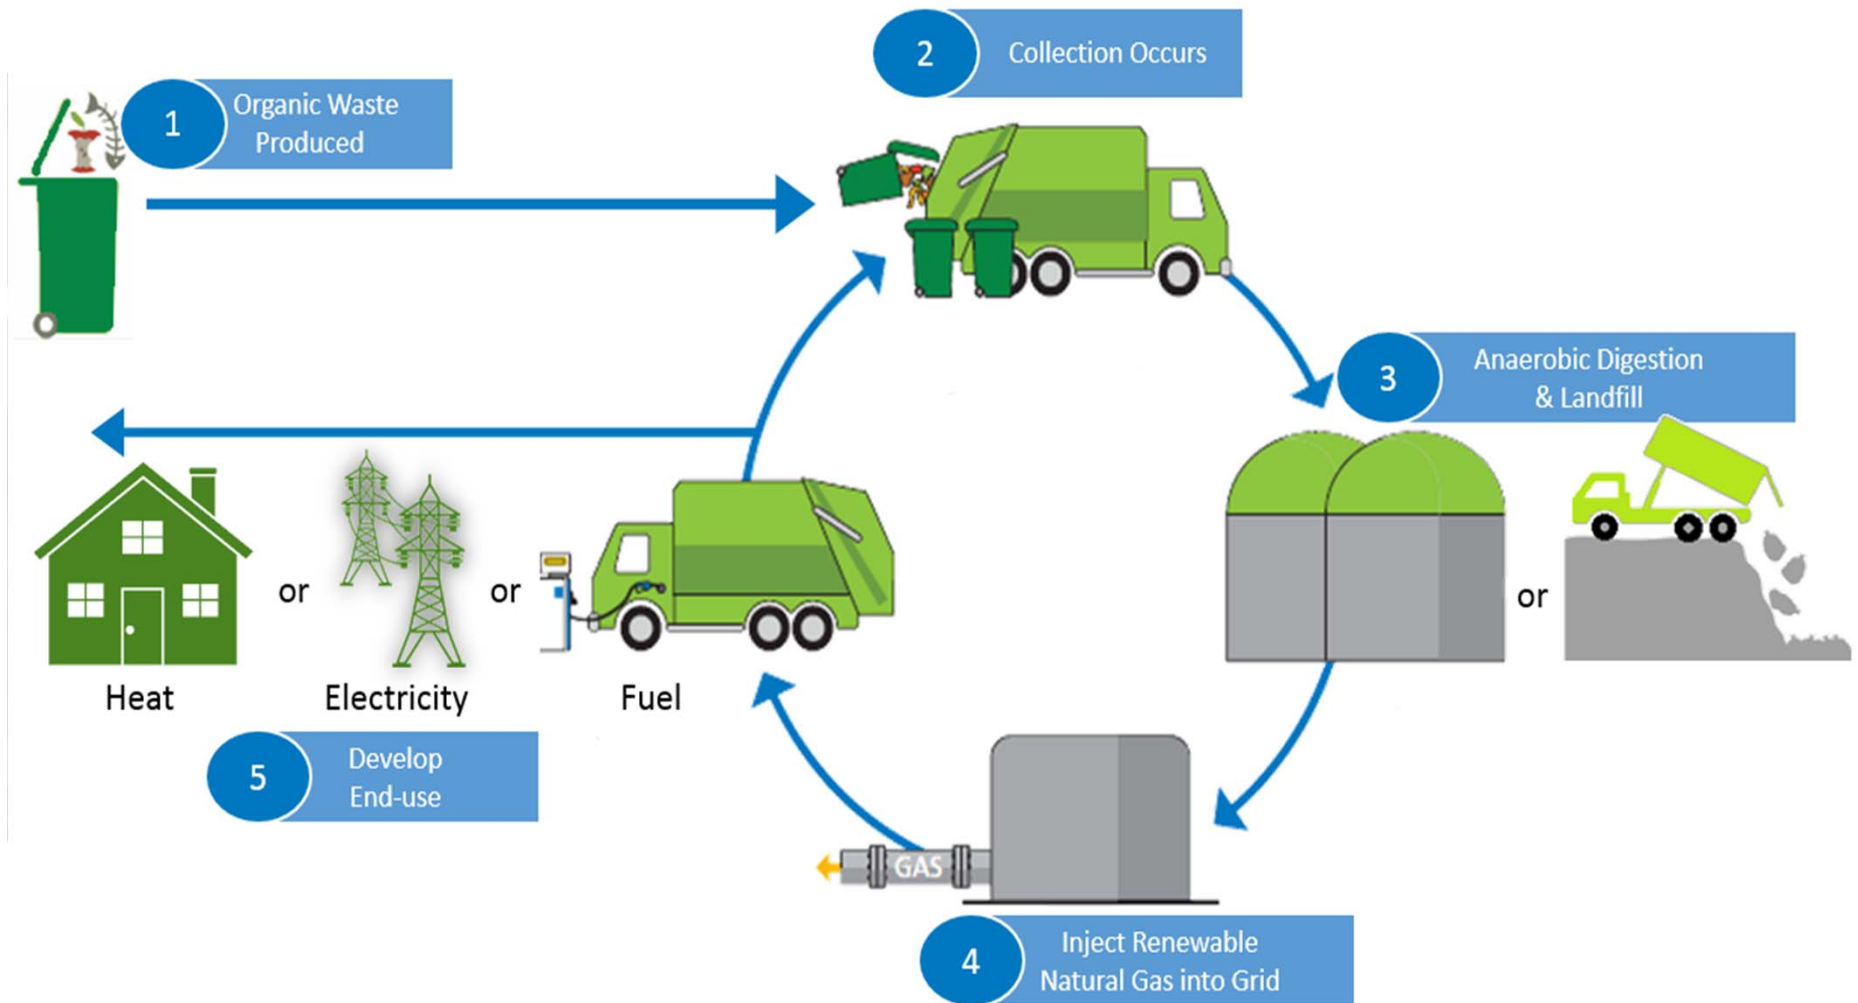

High Solids

Energy

Closing

**JUST BECAUSE
YOU'RE TRASH
DOESN'T MEAN
YOU CAN'T DO
GREAT THINGS.**

**IT IS CALLED
GARBAGE CAN,
NOT GARBAGE
CANNOT.**
