

## CONFERENCE TRADESHOW

**Back to School**, the SWANA Northern Lights 2019 Conference & Tradeshow, highlights importance of returning to the classroom to learn about advances in waste and recycling, how to educate the public on the importance of waste management and where to focus training efforts for optimal public uptake.

Join us as an exhibitor in our tradeshow and showcase your products and services!

Refreshment and the popular Tradeshow Reception will take place in the tradeshow area to maximize networking opportunities and traffic to the exhibits.

As an exhibitor, you will have the opportunity to:

- Create awareness about your company
- Promote your product or service
- Network with others who specialize in the same market
- Have personal, one-on-one conversations with attendees

The Solid Waste Association of North America (SWANA) is a non-profit, educational organization serving individuals and communities responsible for the management and operation of solid waste management systems. The Northern Lights Chapter encompasses a large geographical area including Alberta, Manitoba, Saskatchewan and the Northwest Territories
