THE STUDY OF SOLID WASTE
AND THE VALUE OF TRANSFER STATIONS

CHANGING PERSPECTIVES

PRESENTATION BY: ART GOUDY

Artistic Landscaping

“Doing it with a touch of class...”

What They Have Been...

Disposal Sites were:

- Nuisance grounds
- Dumps
- Ran by people who didn't care
- A place people went only when they had to

What They Can Be...

Disposal sites can be:

- Organized
- Respected
- A vital part of the community
- User friendly
- Helpful to reduce our carbon footprint
- Educational
