CONFERENCE TRADESHOW

We are excited to be heading to Yellowknife for the SWANA Northern Lights Chapter Annual Conference.

We have added the 'midnight golf tournament' to our schedule and will take advantage of the local sites and sounds.

Join us as an exhibitor in our tradeshow and showcase your products and services!

Meals, refreshments and the popular Tradeshow Reception will take place in the tradeshow area to maximize networking opportunities and traffic to your exhibit!

As an exhibitor, you will have the opportunity to:

- Create awareness about your company
- Promote your product or service
- Network with others who specialize in the same market
- Have personal, one-on-one conversations with attendees

The Solid Waste Association of North America (SWANA) is a non-profit, educational organization serving individuals and communities responsible for the management and operation of solid waste management systems. The Northern Lights Chapter encompasses a large geographical area including Alberta, Manitoba, Saskatchewan and the Northwest Territories.
