

Collaborations with First Nations

SWANA Northern Lights Chapter

Interchange
Recycling

June 15, 2023

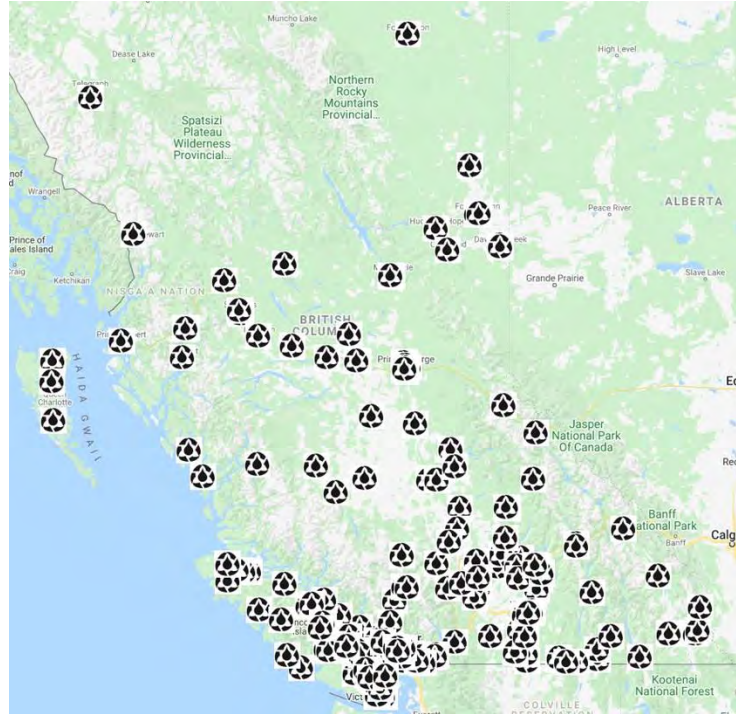

The background consists of several overlapping, semi-transparent shapes in various shades of blue, teal, and brown. The shapes are organic and fluid, creating a layered, abstract composition. The colors range from a deep, dark blue to a lighter, muted teal and a brownish-grey. The overall effect is a textured, modern aesthetic.

Who? What? Where?

Interchange Recycling

- Not for profit Stewardship Agency (or PRO)
- Manage collection and recycling of lubricating oil, antifreeze, the containers they were sold in, and oil filters
- Members are manufacturers and first sellers
