

MAINTENANCE PERSON 1, UTILITY SYSTEMS

THE OPPORTUNITY

We have an exciting opportunity for a Maintenance Person 1, Utility Systems to join the City of Whitehorse. This position is covered by a collective agreement between the City of Whitehorse and the Public Service Alliance of Canada/Yukon Employees Union. Working on a team of 15, the incumbent assists with the installation, operation, inspection, repairs and maintenance of the water distribution, and waste/storm water collection systems.

THE ORGANIZATION

At their core, the City of Whitehorse is committed to cultivating an inclusive employee community and workspace, confronting racism and biases for fairness and equity while advancing reconciliation and accessibility. The City promotes work-life balance for its employees and offers flexible work arrangements, such as work-from-home and compressed work weeks, subject to applicable administrative directives.

Working for the City of Whitehorse means belonging to a friendly, active and diverse community. When you join their team you will play an integral role in the everyday lives of Whitehorse residents. From parks and recreation to waste collection to transit, our employees contribute to the health and fulfillment of our community. They are proud to provide leadership as one of Canada's best local governments that enables Whitehorse to be an exceptional place to live, work and play.

The City of Whitehorse is an organization that understands the value of its employees and the importance of maintaining a passionate workforce.
