

CONFERENCE TRADESHOW

Waste in a World of Change, a conference and tradeshow hosted by the SWANA Northern Lights Chapter will highlight advancements in waste and recycling. Gear up and join us for three days of informative sessions, engaging networking events, hands-on training, facility tours, and opportunities to collaborate with others in the waste management field.

Join us as an exhibitor in our tradeshow and showcase your products and services!

Meals, refreshments and the popular Tradeshow Reception will take place in the tradeshow area to maximize networking opportunities and traffic to your exhibit!

As an exhibitor, you will have the opportunity to:

- Create awareness about your company
- Promote your product or service
- Network with others who specialize in the same market
- Have personal, one-on-one conversations with attendees

[View the floor plan here.](#)

The Solid Waste Association of North America (SWANA) is a non-profit, educational organization serving individuals and communities responsible for the management and operation of solid waste management systems. The Northern Lights Chapter encompasses a large geographical area including Alberta, Manitoba, Saskatchewan, Nunavut and the Northwest Territories.
