

PROGRAM UPDATES

SWANA Northern Lights

APRIL 2026

RECYCLEBC™

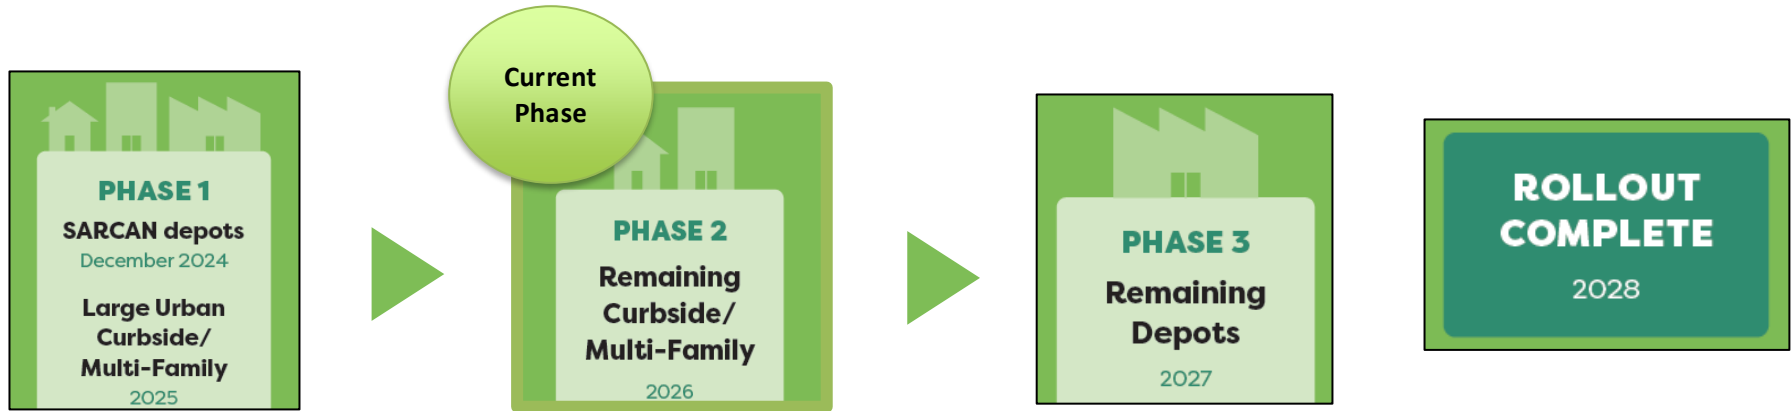

Who We Are

- Provincial household packaging and paper recycling programs
 - Paper, cardboard, mixed containers (plastic & metal), non-deposit glass, foam and flexible plastics
- Recycle BC since 2014
 - Service over 99% of households (over 2 million) through curbside, multi-family and depot service
- MMSW/SK Recycles since 2016
 - Service 84% of households and over 500 municipalities through curbside, multi-family and depot service

SK Recycles Transitioning

New Items accepted at SARCAN depots

Recycle BC - Focus on Flexible Plastics

Before 2024

- Flex only collected at depots, London Drugs locations and various community events.

2024

- Officially collected flex directly from multi-family (MF) buildings in one Metro Vancouver city.

2025

- Added flex to our standard collection agreements
- Added curb/MF flex collection in 3 additional cities.

2026

- Launched multi-family flex collection in City of Vancouver and will launch curb flex in the Central Okanagan.

Convenience!

Return to Retail

Pop-Up Depots

School Pilots

Collection: Curbside

Multi-Family (MF) Depot

40% increase in flexible plastic collection when collected at curb/MF building.
